# Dedication

MR. AND MRS. ROBERT MERRILL

In recognition of their many years of service to Canton High School, we dedicate this year's Minnequan to Mr. and Mrs. Robert Merrill. We have all, at one time or another, come into contact with one of these fine people and have profited from the encounter. After serving as the librarian at LeRaysville for a number of years, Mrs. Merrill came to Canton High in 1956. Mr. Merrill came to Canton from Troy High School in 1958 to teach History. We will all miss them when they take their year's sabbatical leave during the 1968-1969 school year, but they will come back with new events to relate to us and thus add greater enrichment to our lives.

# National Honor Society

The National Honor Society is an academic organization composed of members of grades 10, 11 and 12 who get and maintain an all-over average of 88 per cent. In addition to this average a member should be outstanding in leadership, character, and honor. Each year the members sell candy for the purpose of entertaining the seniors at a banquet featuring an outstanding speaker and installing the new officers. After induction ceremonies on March 24, when sophomores are chosen as probationary members, a tea was held in the Home Economics room for the parents.

This year will be the first edition with colored pictures on endsheet and cover. The yearbook staff would like to express their sincere gratitude to Miss Anna Dee Watts, our advisor. Without her, we could have never completed this book. Thank you.

Smile, please.

She then went to Scranton where she was interviewed by a special Rotary Club committee.

Leila is a member of the National Honor Society and was a finalist in the National Merit Scholarships. She is a member of all vocal musical groups. Leila has completed four years of Spanish and has already visited Mexico on the Spanish trip after her junior year. She will leave sometime in the mid-summer. The Waitress Club, under the supervision of Miss Watts, was formed to serve the many banquets prepared by the cafeteria staff for school and public events.

These girls must learn to present themselves pleasantly before the public in such a way as to reflect credit upon the school.

For service, they earn points toward their pins and keys.

The Varsity Club operates the concession stand at the football games to earn money for the purchase of letter jacket for senior lettermen.

This year several dances were also sponsored by this group.

The Canton High School Basketball team ended the season with a 10-12 record. This contrasted sharply to the championship record of a year ago. Several injuries to five seniors gave Coach Malloy the opportunity to play his juniors. Although it was a dismal season for some, it will definitely seem brighter next year for the C. H. S. Varsity Basketball team. Good Luck!

**It's not  
whether you  
win or lose . . .**

The Canton High School Varsity wrestlers compiled a 9-5 record (9-4 in league competition) and finished 4th in the 14-team Northern Tier League. This was the second best record in the School's history. The squad displayed good balance throughout the weight classes with their outstanding wrestler, Dale "Rosebud" Morgan capturing the first District Title ever awarded to a Canton wrestler. Determination and great desire, plus dedicated practice, have made this edition of the Warriors' wrestling squad one in which we can all have pride.

TO THE CLASS OF '68

Best wishes to you in your future endeavors!

Coming together is a beginning; keeping together is progress; working together is success.

Man does not live alone; and as you have worked together these past six years, you have been successful. Emerson once said, "We do not count a man's years until he has nothing else to count." "Since you have your "years" ahead of you, it would be my hope that you continue to work together for continued success.

CONGRATULATIONS TO THE CLASS OF 1968

It has been said that no man has earned a place on earth until he has performed a good and worthy service to his fellow man.

As a graduate of Canton Junior Senior High School you have met the first obligation in preparing yourself for the responsibilities associated with good citizenship.

The various experiences you have enjoyed during your years in school were selected to develop, to a maximum, your many interests, aptitudes, and talents in preparing for a useful life in a society.

Our country is assured a bright future if we continue to practice the ideals of democracy, recognize the dignity of each individual, and seek divine guidance.

Best Wishes for a Happy and Prosperous Future.
